

INTERNATIONAL HELLENIC UNIVERSITY
SCHOOL OF SCIENCE & TECHNOLOGY

STUDY FOR A DOCTORAL DEGREE IN DATA MINING

1. The School of Science & Technology of the International Hellenic University (IHU) invites the submission of applications from candidates who are interested in studying for a PhD degree in the field of Data Mining.
2. The School accepts holders of a Master's Degree from a Greek or foreign University in a discipline which, according to the Board of the School of Science & Technology of the International Hellenic University, corresponds to the level of expertise and quality of studies set by the School.
3. Applicants should submit the following documents to the Secretariat of the School of Science & Technology no later than 3 April 2015:
 - Application form giving the proposed subject of the doctoral thesis
 - Certified copies of first and Master's degrees. If the Master's degree has not been obtained by the time of submission of the application, successful applicants must submit a certified copy of the Master's degree by 30 June 2015 at the latest.
 - Confirmation of equivalence from the Greek NARIC service (www.doatap.gr) for candidates whose qualifications are from a foreign institution
 - Full CV including information on the candidate's studies, research or professional activity, his/her scientific papers and interests
 - Full research proposal giving the motivation, the objectives and the expected outcomes for the PhD research.
 - Excellent knowledge of the English language (level C2)
 - Two reference letters
 - Formal declaration (under Law 1599/86) that the candidate is not enrolled in a Postgraduate (MSc or PhD) degree of another Department
 - CD containing electronic copies of the above required documents (application form, CV, research proposal, certificates etc.), except from the reference letters.

The International Hellenic University will consider granting a **compensatory scholarship** in cases of academic excellence and provided it is warranted by the candidate's reported income.

For more information please contact the Programme Manager of the School of Science & Technology, 14th km Thessaloniki – Nea Moudania, 57001 Thessaloniki, Greece. Telephone number: +30 2310 807501, e-mail infotech@ihu.edu.gr or visit the website of the School (<http://www.tech.ihu.edu.gr/>).

Thessaloniki, 24 February 2015

The Dean of the School

Professor Ioannis Vlahavas
